課本(Textbook) : Richard Wolfson, Essential University Physics, 4th edition

上課時間(Time) : 每星期二、五, **8:20 am - 9:40 am**, 每次上八十分鐘。

(各班開始上課的時間可能略有差異, 依授課教師規定)

Time : Tuesday and Friday, 8:20 am - 9:40 am. Each session lasts 80 minutes.

(The starting time of each class may vary slightly and is subject to the instructor's arrangement.)

統一考試(Exams) : 段考及期末考統一命題, 統一閱卷。

考卷以英文命題 (較難之詞彙會加註中文, 但如為課本例題或勾選習題內之名詞將不加註中文)。

考試於週二或週五 **8:20 am-9:50 am** 舉行, 地點為原上課教室。考試時不得攜帶字典、紙張等, 但可以帶 **無通訊功能、無記憶程式及文字功能的計算機**。

開始發考卷前, 需將手機放置於背包收起來, 並將背包放置於前面講台。考試時間結束以後, 再取回背包。考試時間結束以前, 嚴禁對考卷拍照。

Exams : The exams will be unified with the Chinese-speaking classes. They will be held at **8:20 am - 9:50 am** at the same place as regular classes. No dictionaries, papers, or personal notes are allowed. **You may bring a non-programmable and no calculus functions calculator.**

Before the exam papers are distributed, all mobile phones must be put away in backpacks. Photographing the exam papers is strictly prohibited before the end of the examination period.

學期成績(Grades) :

兩次段考及期末考各佔25%, 作業、小考及平時考核 (各班老師自定) 為25%。

Grades : 25 % each for the two mid-term and final exams. 25 % from homework and quiz.

元課程eLearn 習題(Homework) :

統一勾選課本習題, 如下。段考及期末考試題中, 將有一定比例參考習題及課本例題的形式。須繳交的習題採線上作業模式, 由清大 eLearn 數位學習系統 “[元課程]普通物理B” 進入。

網址: [T.B.A.]

p.s. 待學期初加退選結束後, 會於eLearn 數位學習系統建立 [元課程]普通物理B。

Homework :

The table below lists the problem sets assigned for this class (from the textbook). Log on to the NTHU eLearn system to submit your homework. Note that the numbers quoted in the problem sets may be different online, so you need to solve the problems accordingly. The due dates for the problem sets are listed on the eLearn system. The rest of the problems are for your own sake. For the mid-term and final exams, these problem sets and examples in the textbook will be used as references.

The 114-1 website of the online homework system is: <https://elearn.nthu.edu.tw/course/view.php?id=41595>
